for the blind and insists that the board of administration shall place Dr. J. Frank Lumb at the head of this institution. This the board of administration has refused to do. Dr. Lumb won the recent promotional examination conducted by the civil service commission. His name was certified to the beard of administration a month ago as having passed with a average of 35 per cent. Maueror's grade did not exceed 70 per cent. According to the civil service commissioners, Lumb's appointment is being opposed by the board of administration on the ground that he is not capable of taking proper acre of the school and because he is blind. Lima—An oil well drilled years ago in the rear of a building now occupied by the Peerleas Coal Co., and abandoned shortly afterward as a "dry hole" Saturday night burst forth with a volumn of the fluid that indicated a gusher. The oil flowed through the C. H. & D. yards and onto Kibby street. Oil was soon running down the gutters and into the sewers.
